NOTE: A Bachelor of Science Degree in Radiography will be awarded from UCA after the completion of the prerequisite courses listed above, in addition to the completion of 24 months in the professional radiography program at an Affiliated Hospital. Applying to an Affiliated Hospital program requires that all prerequisite courses must be completed by the end of the spring semester prior to student enrollment in the affiliate professional programs. Applicants must possess a minimum cumulative GPA of 2.5 to be considered eligible for the radiography program. Admission into an Affiliated Hospital program is on a competitive basis and is determined by the Admissions Committee at the Affiliated Hospital.

. Students are discouraged to declare Radiography as a major without a 2.5 cumulative GPA.
