INSTRUCTIONS FOR EGD

- ❖ **Stay off all blood thinning medications for 5 days before the procedure: This includes Coumadin, Warfarin, Plavix, Celebrex, Salsalate, Iron and Vitamin E.**
- ❖ **Do not eat or drink anything after midnight the night before your procedure.**
- ❖ **If you take heart, blood pressure or seizure medication, you must take those with just a small sip of water the morning of your test.**
- ❖ **All patients MUST bring a driver to transport them after the procedure.**
 - ❖ **For your safety, DO NOT drive for eight hours after your procedure.**
- ❖ **Wear comfortable clothing - try to wear a shirt that does not come up around your neck.**
- ❖ **Call Lindsey with any questions at: 501-223-4522 or 501-221-5845 for endoscopy before 8am.**
